

# Humidor Contract Terms & Conditions

*You are cordially invited to lease a private humidor at Shelly's Back Room. Upon receipt of payment, your box name will be engraved on a tobacco leaf and placed on your humidor. Please review the terms and conditions of this contract.*

- Humidors are leased on an annual basis.
- An initial cigar purchase of \$150 from Shelly's Back Room's Cigar menu is required when leasing or renewing a lease of a humidor.
- You must be over the age of 21 to lease a humidor and smoke cigars in Shelly's Back Room.
- Each humidor may be shared by up to four members; however, there is a \$35 charge for each access over card over 4. Access to the humidor is limited only to those names that appear on the contract or those individuals holding access cards.
- There is a \$50 charge to change the wording on your humidor leaf.
- Box holder agrees to refrain from placing any cigar or other product in his humidor that may violate any federal or state law and box holders are responsible for the contents of their humidor.
- Management reserves the right to open any humidor for the purpose of maintenance.
- Shelly's Back Room reserves the right to revoke the lease of any person who does not abide by the policies determined by its management. Shelly's Back Room reserves the right to cancel existing memberships at any time and/or not renew existing memberships for personal conduct that management considers detrimental to the best interests of the restaurant. Should a membership be cancelled during the term of a lease the prorated value of the lease will be returned. Any cigars in the locker must be removed immediately or they will be disposed of.
- Access to humidors is during Shelly's Back Room hours of operation only. Shelly's Back Room reserves the right to close for private functions at which time there may not be access to humidors.
- Shelly's Back Room reserves the right to alter or change the private humidor-leasing plan at any time based on new Washington, DC regulations.
- Applicable sales tax will be added to the price of all humidors.
- Full payment is due at the time of signing.
- Upon expiration of a humidor rental every attempt will be made to contact the box holder based on the information given to us in this contract. Humidors that are more than one week overdue will be emptied and made available for rent. The cigars in these humidors will be stored in our general humidor storage for a one month period from the time the humidor rental has expired after which we will be forced to dispose of them.
- Please be advised that we continually and frequently monitor the temperature and humidity in our personal humidors so that they are at optimum levels. We cannot, however be responsible for product that is stored in these lockers.
- Locker membership does not guarantee preferential seating at Shelly's Back Room. We have 100 lockers, 250 members and 60 seats so that math doesn't work. We always try and seat locker holders to the best of our ability but membership does not guarantee this.
- All locker leases are final & nonrefundable.

I understand and agree to these terms & conditions.

***We value your investment in fine cigars. It is our desire to store your cigars in perfect condition. With that in mind, we ask you note the following:***

- Each brand of cigars possesses its own specific characteristics. These subtleties in bouquet and flavor may be lost if you do not separate various cigars. We urge you to keep your cigars in boxes, as opposed to placing them loosely in the humidor. Should you need a plastic bag or an empty cigar box for this purpose, please ask a member of our staff.
- Occasionally, we will place a hygrometer in your humidor for the purpose of testing the temperature and relative humidity. Please do not remove these devices.
- Please do not overstock your humidor. This prevents temperature & humidified air to flow freely throughout the entire system and may result either over-humidifying or under-humidifying cigars. When stocking your humidor please leave enough room around your cigars for air to travel from one locker to the next. Should we find a locker that is overstocked we may be forced to remove items in order to allow proper air flow.
- If you plan on not accessing your humidor for more than one month please let us know. When lockers are not opened for a long period cigars that are not wrapped may get over-humidified and mold may form around them. If left unchecked this can ruin a cigar. If you know that you will not access your locker for a while we can open it for you, clean any mold off your cigars to allow the humidity to regulate itself.
